Year End Reminders

MEDICARE OPEN ENROLLMENT: Ended December 7th for most Medicare recipients. However, if you were in a Medicare Advantage Plan which is no longer available in your area, you have until February 14 to enroll in a new plan. We'll be happy to help you get enrolled, just give us a call.

HOLIDAY HOURS From December 23 until January 3 we will be out of the office and unable to receive FAXes or EMAIL. We will check for phone messages daily.

TAX TIME is upon us and many people like to review their medical coverage at year end. If you recently received a notice of plan changes and would like to discuss options, or if your plan premium has taken a jump, we may be able to find equal but cheaper coverage for you. Give us a call at 530 336-7334 or 800 894-9550 or email us at Info@moraineassociates.com and we'll see what your options are.

HEALTHCARE REFORM Implementation remains a challenging task as several Federal Departments attempt to issue guidelines. The midterm election results could have a major impact on how we transition to full implementation of the Patient Protection and Affordable Care Act. Visit our website and our Facebook page for constant updates.

STRANGE PHONECALLS AND MAIL?

Some of you have been receiving phone calls saying that your Medicare may be "compromised" next year. We believe these calls are political in nature, and while we should all be concerned about the future of Medicare and Social Security, it is not likely that anything drastic will happen in January. There is legislation that may affect future costs to Medicare beneficiaries (in 2017), but it is not likely to pass the Senate. We are always abreast of legislation that may affect our clients. Contact us.

MERRY CHRISTMAS And HAPPY NEW YEAR

We'll be out of the office from December 23 until January 3 as we enjoy the holiday Season.
